The Right-to-Know Law RSA Chapter 91-A

PART I, ARTICLE 8 OF THE NH
Constitution: Government ...
should be open,

SECTION 1 OF RSA 91-A:

The purpose of this chapter is to
ensure both the greatest possible
public access to the **actions**,
discussions and **records** of all
public bodies, and their
accountability to the people.

What is a Public Meeting? RSA 91-A:2

Quorum

Public body

Convenes so that they can
communicate contemporaneously

To discuss or act upon a something over
which the public body has supervision,
control, jurisdiction, or advisory power

“Public Body”

RSA 91-A:1-a, VI:

- Any legislative body, governing body, board, commission, committee of any county, town, municipal corporation, school district, SAU or other political subdivision
- Any committee, subcommittee, advisory committee thereto

“Electronic Communications”

A screenshot of an email client window titled "Untitled - Message (HTML)". The window has a blue title bar and a menu bar with options: File, Edit, View, Insert, Format, Tools, Actions, and Help. Below the menu bar is a toolbar with icons for Send, Attach, Options, and text formatting (font face: Arial, size: 10, bold, italic, underline). The main area of the window contains a "To:" field, a "Cc:" field, and a "Subject:" field. Below these fields is a large text area containing a list of five bullet points.

- Avoid substantive discussions via email
- Circumventing spirit and intent of 91-A
- Less than a quorum communicating by email
- “Reply All”
- Emails are governmental records

Duty to Assist

- ▶ Planning boards have an obligation under the New Hampshire Constitution to provide assistance to all citizens. *Richmond Co. v. City of Concord*, 149 N.H. 312 (2003)
- ▶ The subdivision/site plan process is not a completely adversarial process.
- ▶ The planning board has a duty to advise applicants and otherwise work with them as they attempt to negotiate the permit process.

Conflicts of Interest

RSA 673:14 Disqualification of Member.

I. No member of a zoning board of adjustment, building code board of appeals, planning board, heritage commission, historic district commission, agricultural commission, or housing commission shall participate in deciding or shall sit upon the hearing of any question which the board is to decide in a judicial capacity if that member has a direct personal or pecuniary interest in the outcome which differs from the interest of other citizens, or if that member would be disqualified for any cause to act as a juror upon the trial of the same matter in any action at law. Reasons for disqualification do not include exemption from service as a juror or knowledge of the facts involved gained in the performance of the member's official duties.

Juror Standard

- (a) Expects to gain or lose upon the disposition of the case;
- (b) Is related to either party;
- (c) Has advised or assisted either party;
- (d) Has directly or indirectly given his opinion or has formed an opinion;
- (e) Is employed by or employs any party in the case;
- (f) Is prejudiced to any degree regarding the case; or
- (g) Employs any of the counsel appearing in the case in any action then pending in the court.

Case Study: Z-1 Express v. Manchester (2019)

- ▶ CUP application before planning board.
- ▶ After the public hearing portion, but before deliberations, two members voiced opposition to the project on a social media site established by residents opposing the project.
- ▶ One of the members who voiced opposition on social media was asked to recuse himself, he refused and he later voted to deny the application.
- ▶ Superior Court remanded the case after finding that the member's failure to enter into and participate in deliberations with an open mind “threaten[ed] the integrity of the deliberative process” undermining public trust in the overall function of the planning board.

Conflicts of Interest

- ▶ Advisory Vote - RSA 673:14, II.
- ▶ Recuse (yes) vs. Abstain (no)
- ▶ Avoid Social Media Opinions on Pending Matters
- ▶ Disclose and Remove Yourself
- ▶ Err on the Side of Caution!

- This also applies to proposals submitted to a planning board for design review pursuant to RSA 676:4, II(b), provided that a formal application is filed with the planning board within 12 months of the end of the design review process.

- ▶ At least 14 days before the public hearing, the board must notify, by certified mail, all affected municipalities and the RPC of the date, time, and place of the hearing and of their right to testify concerning the development.

Decisions Shall Include Written Findings of Fact

- New language in RSA 676:3, I expands on requirement that local land use boards provide specific written findings of fact that support an approval or disapproval:

The decision shall include specific written findings of fact that support the decision. Failure of the board to make specific written findings of fact supporting a disapproval shall be grounds for automatic reversal and remand by the superior court upon appeal, in accordance with the time periods set forth in RSA 677:5 or RSA 677:15, unless the court determines that there are other factors warranting the disapproval.

- This change went into effect on August 23, 2022.

The Planning Board Shall Approve or Disapprove with 65 days

- If the planning board does not act on the application within the 65-day period, then the governing body is required to approve the application.
- If the planning board determines that it lacks sufficient information to make a final decision on an application and the applicant does not consent to an extension, the board may deny the application without prejudice, allowing the applicant to reapply.

Decision Timeline Extended 30 days to Consider Developments of Regional Impact

- ▶ 2021's HB 332 extended the planning board's deadline to act by 30 days where the board determined that the development was one of regional impact.
- ▶ HB 1661 did not remove the additional 30 days for developments of regional impact considerations, and the statute should continue to be read to *include* the additional 30 days in the case of developments of regional impact.
- ▶ This change went into effect on January 1, 2023.

90-Day Extension Eliminated

- HB 1661 eliminated the ability of the planning board to request an extension to act on an application from the governing body.
- (Prior law allowed the planning board to petition the governing body to extend the time to act on an application by 90 days.)
- This change went into effect August 23, 2022.

Public Hearing Procedures

- ▶ 676:4, I (e) hear from applicant, abutters, others with direct interest, and others as permitted by board.

- ▶ Impartially follow rules of procedure.

- ▶ Site visits are public meetings.

- ▶ Riggins Rules.

Deliberation & Weighing the Evidence

- ▶ Get all necessary information before closing public hearing.
- ▶ Board can deliberate and vote at later meeting.
- ▶ Avoid ex parte contacts with parties or deliberation among members outside meeting.
- ▶ Board may rely on personal knowledge of the area; and not bound to accept conclusions of experts, *Vannah v. Bedford*, 111 N.H. 105 (1971), only if some evidence and explained in written decision. *Malachy Glen Associates, Inc. v. Chichester*, 155 N.H. 102 (2007)
- ▶ Cannot ignore uncontradicted expert testimony, unless board can adequately explain in written decision. *Condos East Corp. v. Conway*, 132 N.H. 431 (1989)

Dartmouth v. Hanover

New Hampshire Supreme Court

November 6, 2018

- ▶ Planning Boards cannot rely upon lay opinions and anecdotes refuted by uncontroverted expert evidence.
- ▶ Planning Boards cannot supplant the specific regulations and ordinances that control the site plan review process with their own personal feelings.

Written Notice of Decision

- ✓ Written decision is required, and written reasons in event of disapproval. RSA 676:3, I.
- ✓ RSA 676:4, I (c) (1) also requires decision to approve, approve with conditions or disapprove.
- ✓ Decision and meeting minutes must be on file for public inspection within 5 business days of vote. RSA 676:3, II.
- ✓ A tie vote is not a decision.

Conditional Approval

- ▶ Representations by applicant are not binding unless clearly made a condition of approval.
- ▶ Conditions must reasonably relate to ensuring compliance with relevant criteria.
- ▶ Standard conditions.
- ▶ Conditions precedent.
- ▶ Conditions subsequent.
- ▶ Compliance hearing.

“Grandfather Rights”

- Planning Board Regulations may define “substantial completion of improvements etc.” and “active and substantial development etc.” RSA 674:39, III.
- Failure to define “active and substantial development” awards 5-year exemption automatically.

Housing Appeals Board

- Three members, appointed by the Supreme Court.
- Will hear appeals of final decisions of municipal boards regarding “questions of housing and housing development.”
- Party has option of appealing to superior court or HAB; appealing to one waives right to appeal to the other.
- Hearing procedure is identical to procedure in superior court.
- Standard of review is identical to that in superior court.
- Board must hold hearing on the merits within 90 days after receipt of notice of appeal and must make decision within 60 days after hearing.
- Decisions may be appealed to N.H. Supreme Court.

Superior Court Appeal - RSA 677:15
