## **Warrant Article Reminders**

All warrant articles with appropriations must be reported on the posted budget per RSA 32:5, IV, or they may be disallowed.

Do not include capital reserve funds or expendable trust funds as a part of the warrant article for the operating budget. These fund articles should be treated as "special" warrant articles.

### **Recommendation Tallies and Tax Impact Statement on Warrant Articles**

Recommendation Tallies - RSA 32:5, V-a and RSA 40:13, V-a, allow the legislative body of any town, school district, or village district to adopt a warrant article requiring the governing body, budget committee or advisory budget committee, to include vote tallies on recommendations relative to budget items or any warrant articles or ballot questions. Unless the legislative body has voted otherwise, the governing body may do so on its own initiative. Recommendations are required on special warrant articles, as defined in RSA 32:3, VI.

Tax Impact Statement – RSA 32:5, V-b allows voters to require the governing body to determine and include an estimated tax impact statement on warrant articles.

### **10% Rule**

In municipalities with budget committees adopted under RSA 32:14, the meeting cannot appropriate a total amount which exceeds the total recommended by the budget committee by more than 10%. (See RSA 32:18 for details of this calculation). The calculation is based on the budget committee's recommended amount on the posted budget form (MS-737, MS-27, or MS-37). If the voted appropriations are over the 10% maximum amount, DRA will disallow on a "last voted, first out" basis. Therefore, it is important to consider the order in which warrant articles will be voted. We recommend that priority articles, like the operating budget, be placed towards the beginning of the warrant. The voters can still change the order during town meeting in which the warrant articles are addressed and voted upon. However, long-term funding articles (bonds/notes) must be the first money articles voted on. See RSA 33:8-a, for the placement of articles with long term financing over \$100,000.

**21-J:24 Technical Assistance to Municipalities.** – *The commissioner shall provide municipalities with technical assistance relative to taxation and finance, which shall not be binding upon the municipalities.*

The following pages present recommended warrant article language for towns, village districts, school districts, and regional school districts. **These recommendations are also available to authorized municipal users of the Municipal Tax Rate Setting Portal (MTRSP).**

Special	Appropriate to CRF or ETF From Fund Balance	To see if the school district will vote to raise and appropriate the sum of \${AMOUNT} to be added to the {NAME OF FUND} {CRF OR ETF} previously established. This sum to come from June 30 fund balance available for transfer on July 1. No amount to be raised from taxation. Recommendations Required. (Majority vote required)
Special	Capital Equipment Lease Without Escape Clause	To see if the school district will vote to authorize the school board to enter into a long-term lease/purchase agreement in the amount of \${AMOUNT} payable over a term of {NUMBER OF PAYMENTS} for {PURPOSE}, and to raise and appropriate the sum of \${AMOUNT} for the first year's payment for that purpose. Recommendations required (2/3 ballot vote required or 3/5 ballot vote if SB2)
Special	Capital Project Fund	To see if the school district will vote to approve the {PURPOSE} at a cost not to exceed \${AMOUNT} payable over a term of {UP TO 5} years with an annual appropriation of \${AMOUNT}, and further to raise and appropriate \${AMOUNT} for the first year's payment. In each of the following {#} years the appropriation of \${AMOUNT} will be contained in the operating budget and the default budget. 2/3rd (3/5th if SB2) majority vote required for passage. Recommendations Required. (Majority vote required)
Special	Establish CRF, Add Funds & Name Agents	To see if the school district will vote to establish a {NAME OF FUND} Capital Reserve Fund under the provisions of RSA 35:1 for {PURPOSE} and to raise and appropriate the sum of \${AMOUNT} to be placed in this fund. Further, to name the {OFFICIALS} as agents to expend from said fund (Optional). Recommendations Required (Majority Vote Required)
Special	Establish School ETF, Add Funds & Name Agents	To see if the school district will vote to establish a {NAME OF FUND} Expendable Trust Fund per RSA 198:20-c, V for the {PURPOSE} and to raise and appropriate \${AMOUNT} to be placed in the fund; further to name the school board as agents to expend from the fund (Optional). Recommendations Required. (Majority vote required)
Special	Long-Term Borrowing	To see if the school district will vote to raise and appropriate the sum of \${AMOUNT} (gross budget) for the {PURPOSE}, and to authorize the issuance of not more than \${AMOUNT} of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Recommendations required (2/3 ballot vote required, 3/5 ballot vote required if SB2 or applicable charter)

Special	Long-Term Borrowing with 10% Override	Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee.
Special	Other	To see if the {School} will vote to raise and appropriate the sum of {SAMOUNT} for the purpose of {PURPOSE}. This special article is a special warrant article per RSA 32:3 VI (d) and RSA 32:7 V. The {GOVERNING BODY} {and the budget committee} recommend this appropriation. (Majority vote required).
Special	Other - Blank	
Special	Other (Non-Lapsing)	To see if the {School} will vote to raise and appropriate the sum {SAMOUNT} for the purpose of {PURPOSE}. This special warrant article will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the {PURPOSE} is completed or by {LAPSE DATE}, whichever is sooner. The {GOVERNING BODY} {and the budget committee} recommend this appropriation. (Majority vote required).
Special	Revolving Fund	Shall the school district establish a {NAME} Revolving Fund in accordance with RSA 194:3-c, to be funded by receipts from {TYPE} events, further to raise and appropriate up to \${AMOUNT} for the purpose of supporting {PURPOSE} programs, with said amount to be withdrawn from the revolving fund at {DESIGNATE INTERVALS} as needed. (Majority vote required)
Special	Use of CRF or ETF and Taxation	To see if the school district will vote to raise and appropriate the sum of {AMOUNT} for {PURPOSE} and authorize the withdrawal of {AMOUNT} from the {NAME OF FUND} created for that purpose. The balance of {AMOUNT} is to come from general taxation. Recommendations Required. (Majority vote required)

---------------------	----------	---

## **Disallowed Appropriations – Why?**

(Pursuant to RSA 21-J:35, III)

- Appropriations exceed 10% of the budget committee’s recommended total
- Failure to appropriate a “specific” amount; no “sum certain”
- Long term debt article greater than \$100,000 not first article addressed on warrant
- Long term debt article did not require 3/5 ballot vote
- Long term debt article did not have the prior required hearing
- Failure to appropriate “specific” amount for expenditure of interest earned on bond proceeds
- Failure to achieve 3/5 ballot vote on lease with no fiscal funding (escape) clause
- Failure to achieve 2/3 vote on changing the purpose of a Capital Reserve Fund (CRF) or an Expendable Trust Fund (ETF)
- Amendment made to change the purpose of a proposed article (See *Harriet E. Cady v. Town of Deerfield, N.H. Supreme Court, January 18, 2017*)
- Amendment to name agents to expend from a CRF or ETF, but agents were not warned on posted warrant.
- Amendment to add “special” or “non-lapsing” to an article, but this had not been warned on the posted warrant.

## **Some Warrant Articles to Consider:**

If applicable, the warrant for the annual municipal meeting should contain an article addressing each of the following subjects (unless they were previously voted "until rescinded" at a prior meeting):

- Borrowing money in anticipation of taxes (TANs for towns or village districts): No limits should be written into this warrant article because limits are effectively imposed on this type of borrowing by RSA 33:7. Once voted, the vote stays in effect until rescinded.
- Authorization for the selectmen to dispose of tax deeded property: The article could state how this is to be done, i.e., sealed bids, auction, or as justice may require, etc., see legal counsel for warrant article construction to suit the municipality. The law allows this authority to extend indefinitely until rescinded. See RSA 80:80.
- Personal property per RSA 31:95-e
- Library trustees per RSA 202-A:4-c
- Authorization for selectmen to accept trusts without further action by the town (RSA 31:19). The law allows this authority to extend indefinitely until rescinded.

*The sample warrant articles on the following pages contain additional “DRA Notes” which themselves are not intended for use on the warrant or a ballot. The notes are only for the purpose of further explanation of the sample articles. The sample articles are organized under some frequently referenced topics:*

**Balance Sheet / Property / Revenues**

**Collective Bargaining Agreements**

**Conservation Commission / Land / Land Use**

**Individual Warrant Articles**

**Lease Arrangements**

**Libraries**

**Long-Term Borrowing**

**Officials**

**Operating Budgets**

**Revolving Funds**

**Schools**

**Special Revenue Funds**

**Special Warrant Articles**

## Balance Sheet / Property / Revenues

### Balance Sheet Deficit Warrant Article – Town or Village District

**To see if the town [village district] will vote to raise {\$AMOUNT} for the purpose of reducing the general fund deficit pursuant to RSA 41:9, V [RSA 52:3-a, I-b for villages]. (Majority vote required)**

DRA Note: RSA 41:9, IV (RSA 52:3-a, I-a for villages) requires the governing body to publish the general fund balance sheet in the annual report or post it at the annual meeting. If the accumulated general fund is in deficit, this law requires an article be inserted in the warrant recommending action deemed appropriate, such as having a professional audit to determine the exact amount of the deficit. Another action might be to have an article to raise money to reduce the deficit.

### Acceptance of Unanticipated Sources of Funds – Town or Village District

**Shall the {town or village district name} accept the provisions of RSA 31:95-b providing that any {town or village district} at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the {selectmen or commissioners} to apply for, accept and expend, without further action by the {town or village district} meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year? (Majority vote required).**

DRA Note: RSA 31:95-b (for towns and village districts) and 198:20-b (for school districts) allow for the inclusion of a warrant article (with specific wording required by law), at the annual meeting, authorizing the governing body to apply for, accept and expend money from unanticipated sources, (not unanticipated funding) without further action by municipal meeting. There are, however, some restrictions on the use of these funds:

- Used only for legal purposes for which the town, village, or school district may appropriate money;
- When the amount is \$10,000 or more, the governing body must hold a public hearing to discuss the expenditure of the funds. For amounts under \$10,000, the governing body may address it at a regular governing body meeting after posting notice in the agenda;
- Not require the expenditure of other funds, except those funds lawfully appropriated for the same purpose; and,
- Be exempt from all provisions of RSA 32 relative to limitation and expenditure of municipal monies, such as the 10% rule.

### Acceptance of Personal Property Donated – Towns or Village Districts

**To see if the municipality will vote to authorize the selectmen (or commissioners) to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization, in accordance with RSA 31:95-e, shall remain in effect until rescinded by a vote of the town (or village district) meeting. (Majority vote required).**

DRA Note: RSA 31:95-e, allows for the inclusion of a warrant article authorizing the selectmen or commissioners to accept gifts of personal property, other than money, for any public purpose for the municipality. Such authorization will remain in effect until rescinded by a vote of the town or village district meeting. If the gift is valued under \$5,000, a hearing may not be necessary.

## **Capital Reserve Funds (CRF) and Expendable Trust Funds (ETF)**

When a municipality identifies the need for the future purchase of a major capital item, or a NH constitutionally required revaluation, it may create a fund in advance to spread the financial impact over time. RSA 35:1-c allows for the establishment of a reserve for items of a non-capital nature or for the maintenance and operation of a specific public facility or type of facility. The town trustees of trust funds must have custody of any capital and non-capital reserve funds, including those established for village or school districts (RSA 35:2 and 35:13). Municipalities may use a CRF for debt payment of a project per RSA 35:15, III-a if the CRF was set up in connection with a specific project. It cannot be established as a “general purpose” debt retirement fund and cannot be named a debt retirement fund.

In accordance with RSA 35:1, 35:1-a and 35:1-b, the purposes for which a government may raise and appropriate money for the establishment of a Capital Reserve Fund (CRF) are:

- The construction, reconstruction or acquisition of a specific capital improvement, or the acquisition of a specific item(s) of equipment; or
- The construction, reconstruction, or acquisition of a type of capital improvement or the acquisition of a type of equipment; or
- Revaluation by approved appraisal firms of real estate for tax assessment purposes; or
- The acquisition of land; or
- The acquisition of a tax map of said municipality; or
- Extraordinary legal fees and expenses related to present or foreseeable litigation involving the municipality or its officers and employees; or
- In anticipation of the adoption of the optional fiscal year; or
- To meet the expenses of educating educationally handicapped children; or
- Transportation improvement projects.

### **Establish CRF – Special Warrant Article**

**To see if the municipality will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Highway Road Grader and to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be placed in this fund. The selectmen and the budget committee recommend this appropriation. (Majority vote required).**

DRA Note: The warrant article must distinctly address the purpose for which the CRF is to be established. CRFs may be funded from sources other than taxes or “surplus”, but not from charitable donations. (See RSA 35:5). The appropriations must contain a “sum certain”. The article **cannot say**, “.....to deposit into a capital reserve all revenues received from ambulance calls,” or “...\$10,530 created from the discontinuance of the Ambulance CRF and any interest earned prior to the discontinuance.” A specific dollar amount must be voted on.

The procedure required to establish a new CRF, appropriate to a CRF, appoint agents to expend, to discontinue an existing fund or to authorize withdrawal from an established fund, must be presented by a warrant article at the annual or special meeting. A majority vote of the legal voters present and voting is necessary. Below are sample warrant articles to establish and appropriate to, withdraw from, change the purpose of, discontinue, or appoint agents to expend from CRFs. Agents to expend cannot be added at an annual meeting, without having been warned on the posted warrant.

### **Establish For Matching Share of Grant Money Received**

**To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the**

**purpose of the town’s matching share of grant money received for town projects and to raise and appropriate the sum of {SAMOUNT} to be place in this fund and further to name the selectmen as agents to expend from said fund. (Majority vote required.)**

**Appropriate to CRF from Fund Balance – Special Warrant Article**

**To see if the municipality will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Highway Road Grader Capital Reserve Fund previously established. This sum to come from fund balance and no amount is to be raised from taxation. The selectmen and the budget committee recommend this appropriation. (Majority vote required)**

DRA Note: When the CRF is to be funded from surplus RSA 35:11, the money must be turned over to the trustee(s) within 10 days after passage or, in the case of optional fiscal year municipalities (July 1 – June 30) within 10 days of the determination of surplus following the close of the fiscal year.

**Appropriate to CRF From Fund Balance – Special Warrant Article**

**To see if the school district will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the School Bus Capital Reserve Fund previously established. This sum to come from June 30 fund balance available for transfer on July 1. No amount to be raised from taxation. The school board and the budget committee recommend this appropriation. (Majority vote required).**

DRA Note: When the CRF is to be funded from “surplus” (RSA 35:11), the money must be turned over to the trustee(s) within 10 days of the determination of surplus following the close of the fiscal year”. This is true of all municipalities that have a fiscal year of July 1 to June 30. If not, per RSA 35:14, members of the school board or governing body “...shall be guilty of a violation for every week said failure shall continue”.

**Use of CRF and Taxation**

**To see if the municipality will vote to raise and appropriate the sum of eight thousand dollars (\$8,000) for a financial audit and authorize the withdrawal of five thousand dollars (\$5,000) from the Capital Reserve Fund created for that purpose. The balance of three thousand dollars (\$3,000) is to come from general taxation. The selectmen recommend. The budget committee does not recommend. (Majority vote required).**

**Change of CRF Purpose**

**To see if the municipality will vote to change the purpose of the existing Highway Heavy Equipment Capital Reserve Fund to the Refuse Packer Capital Reserve Fund. (2/3 vote required).**

DRA Note: Many municipalities have created CRFs for purposes that are no longer needed and may wish to discontinue or change the purpose. To change the purpose of a CRF, a warrant article must be acted on at the ANNUAL meeting by a two-thirds vote (2/3) of all voters present and voting (RSA 35:16). The vote does not require a paper ballot; however, a vote count in the minutes is required to verify the 2/3 vote. Authorization must be given to name agents to expend from this new capital reserve fund if agents are intended.

**Discontinue CRF**

**To see if the municipality will vote to discontinue the Fire Truck Capital Reserve Fund created in 1997. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality’s general fund. (Majority**

vote required).

DRA Note: Per RSA 35:3, a municipality shall include a warrant article to discontinue a CRF. It is a good housekeeping measure to discontinue CRFs as soon as they become unnecessary. Discontinuing a CRF may be done at an annual or special meeting and only requires a majority vote. The termination of a CRF authorizes the trustees of trust funds to transfer the monies to the municipality's general fund (RSA 35:16-a). The law doesn't specify when the money should be transferred out but it should be by the end of the budget year. The monies cannot be "transferred" to another CRF or expendable trust without the inclusion of an article authorizing the funds to be raised and appropriated into the new fund.

### **Discontinue Multiple CRFs**

**To see if the municipality will vote to discontinue the following Capital Reserve Funds with said funds with accumulated interest to date of withdrawal, to be transferred to the municipality's general fund. (Majority vote required).**

DRA Note: List out the CRFs to be discontinued, indicating date established, name of CRF and approximate amount to deposit into general fund.

### **Appoint Agents to a CRF**

**To see if the municipality will vote to appoint the selectmen as agents to expend from the Office Equipment CRF previously established in 2006. (Majority vote required).**

DRA Note: A warrant article may be presented at an annual or special meeting to authorize the governing body (selectmen, school board or village district commissioners) or other person(s) to act as agent(s) to carry out the objectives of the fund. This authorizes the trustees of the trust funds to disburse the funds on order of the agent without further approval. Naming agents must be warned in a warrant article and cannot be brought up (amended) from the floor of a meeting. RSA 41:14-a and RSA 35:15, II have expanded the means by which towns can acquire or sell land, buildings, or both. In towns, agents cannot be appointed to a land purchase CRF unless RSA 41:14-a has been adopted by warrant article at a duly warned meeting. These provisions are not applicable to village districts and school districts.

*Note: If agents are named on school district capital reserve funds, the agents must first hold a public hearing prior to the expenditure and expenditures can only be made for the purpose for which the trust fund was established.*

### **Revaluation CRF – Special Warrant Article**

**To see if the municipality will authorize the establishment of a capital reserve fund to meet our constitutional and statutory requirement that assessments are at full and true value at least as often as every fifth year. Furthermore, to raise and appropriate the sum of \$10,000 towards this purpose, and appoint the selectmen as agents to expend from the fund. It is anticipated that a revaluation will take place in 20xx. The selectmen and the budget committee recommend this appropriation. (Majority vote required).**

DRA Note: There are various financing methods to pay for the NH constitutionally required revaluation of property every five years. To spread the financial impact for these associated costs over time, a municipality may budget for the process each year by establishing a non-lapsing CRF with one fifth of the anticipated costs appropriated each year. Because a revaluation can span more than one fiscal year, agents could be appointed, if warned to the voters in the posted warrant, thereby allowing the designated agents to carry out the purpose of the fund without obtaining further legislative body approval.

## **Establish an Expendable Trust Fund – Special Warrant Article**

**To see if the town will vote to establish a Government Buildings Maintenance Expendable Trust Fund per RSA 31:19-a, for the maintenance and upkeep of town buildings and to raise and appropriate \$5,000 to put in the fund, with this amount to come from fund balance; further to name the selectmen as agents to expend from the fund. Recommended by the Selectmen.**

DRA Note: RSA 31:19-a allows for the creation, at the annual or special meeting, of municipal trust funds for maintenance and operation purposes and are subject to the same provisions concerning the custody, investment, expenditure, change of purpose, and audit as are CRFs. Expendable trust funds are funded from an appropriation raised by taxation or from the general fund balance, but not from privately donated gifts, legacies and devises. The warrant article to create a municipal ETF must specify that the fund is an expendable trust fund, in which the principal and interest may be appropriated and expended. Agents to expend from these trust funds per RSA 31:19-a may be appointed in the same manner as they are for a CRF, with proper notice in a warrant article.

For school districts, RSA 198:20-c, V, expendable trust funds must be held by the town's trustee of trust funds and are subject to the same provisions of the law as capital reserve funds except in order for school district agents to expend such funds, they must hold a public hearing prior to expenditure and expenditures may only be made for the purpose for which the trust fund was established.

Towns and school districts (RSA 198:20-c, III) may establish expendable trust funds for maintaining health insurance funds for employees or retired employees. They may name their own health trust trustees for this type of fund and expend from the trust without holding a hearing. An annual accounting and report of the activities must be made to the selectmen or school board and also published in the annual report.

## Collective Bargaining Agreements

DRA Note: When a multi-year agreement has been reached between the governing body and the representative union, the governing body has a legal responsibility to do all that it can to have the agreement ready for voter approval/disapproval. RSA 32:5-a states that "...cost items must be finalized by the date prescribed in RSA 39:3..." (fifth Tuesday before the annual meeting) \*see below for SB2 dates\*. Those cost items not negotiated by that date, may be submitted to the voters through a *special* meeting approved by superior court.

For a March SB2 meeting, the deadline is the second Tuesday in January {RSA 40:13, II-a (b)}; an April SB2 meeting deadline is the second Tuesday in February {RSA 40:13, II-b (b)}; and a May SB2 meeting deadline is the second Tuesday in March {RSA 40:13, II-c (b)}. Per the 2014 changes, if a petitioned article proposes a bond governed by RSA 33:8-a, the deadline shall be the preceding Friday

### Multiple Year Collective Bargaining Agreement

To see if the (*municipality*) will vote to approve the cost items included in the collective bargaining agreement reached between the (*governing body*) and the (*union*) which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase	Fiscal Year	Estimated Increase
201x	{SAMOUNT}	201x	{SAMOUNT}

**and further to raise and appropriate the sum of {SAMOUNT} for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The selectmen and the budget committee recommend this appropriation.**

DRA Note: As the "Sanborn Decision" (appeal of Sanborn Regional Sch. Bd. {1990} 133N.H.513.579 A.2d 282) has stated, ratification requires full knowledge of the financial terms of the collective bargaining agreement. In order to comply with the dictates of "Sanborn", the Department of Revenue Administration recommends a separate warrant article such as the one below. RSA 32:19 requires adding a statement of recommendation or non-recommendation by the governing body and the budget committee. Non-recommendation by the budget committee exempts the appropriation from the 10% limitation calculation set forth in RSA 32:18 and is not deemed to be an unfair labor practice under RSA 273-A.

### Authorization for Special Meeting on CBA Rejected or Amended

Shall (*the local political subdivision*), if article \_\_\_\_ is defeated, authorize the governing body to call one special meeting, at its option, to address article \_\_\_\_ cost items only? (Majority vote)

DRA Note: If the cost items are amended or rejected, RSA 31:5, III (RSA 197:3 for schools) allows one authorized special meeting without petitioning superior court. The wording in the example is prescribed by law.

## Conservation Commission / Land / Land Use

### **Establish Conservation Commission and Conservation Fund**

**To see if the town will vote to establish a Conservation Commission under the provisions of RSA 36-A for the proper utilization and protection of the natural resources of the municipality and to raise and appropriate the sum of \$5,000 for this purpose. Furthermore, any balance remaining at year-end may be transferred to a conservation fund account in the hands of the municipal treasurer (RSA 41:29). (Majority vote required).**

DRA Note: A town or city may accept the provisions of RSA 36-A to establish a conservation commission for the proper utilization and protection of the natural resources of the municipality. A municipality may appropriate money as deemed necessary and any balances at year-end, along with gifts, may be placed in a conservation fund in the custody of the municipal treasurer (RSA 41:29). Money may be expended from the Conservation Commission Fund by the conservation commission, for the purposes outlined in Chapter 36-A without further approval of the municipal meeting. The disbursement of conservation funds must be authorized by a majority of the conservation commission officials.

### **Establish Land Use Change Tax Fund**

**Shall we adopt the provisions of RSA 79-A:25-a to account for revenues received from the land use change tax in a fund separate from the general fund? Any surplus remaining in the land use change tax fund shall not be part of the general fund until such time as the legislative body shall have had the opportunity at an annual meeting to vote to appropriate a specific amount from the land use change tax fund for any purpose not prohibited by the laws or by the constitution of this state. After an annual meeting any un-appropriated balance of the land use change tax revenue received during the prior fiscal year shall be recognized as general fund revenue for the current fiscal year. (Majority vote required)**

DRA Note: Per RSA 79-A:25-b, a town may elect to account for all revenues received from land use change tax revenues separate from the general fund by establishing a Land Use Change Tax Fund. It requires a public hearing and statutory wording for the warrant article.

### **Authorize % of Land Use Change Tax (LUCT) Funds to Conservation Fund**

**To see if the town will vote to authorize (%) or (\$) of the Land Use Change Tax collected pursuant to RSA 79-A:25 to be deposited into the existing Conservation Fund in accordance with RSA 36-A:5, III, as authorized by RSA 79-A:25, II. If adopted this article shall take effect April 1, 200x , and shall remain in effect until altered or rescinded by a future vote of the town meeting. (Majority vote required)**

DRA Note: A town or city may want to set aside a designated percentage of the land use change tax to automatically be deposited into the conservation fund. The percentage could be designated from 1% to 100% or could be a specific dollar amount. Per RSA 32-A:25-a, I, “Any land use change tax revenue collected pursuant to this chapter which is to be placed in a conservation fund in accordance with RSA 79-A:25 II, shall first be accounted for as revenue to the land use change tax fund before being transferred to the conservation fund at the time of collection [...]”

### **Selectmen Authority to Acquire or Sell Land, Buildings or Both (RSA 41:14-a)**

**To see if the town will vote to adopt RSA 41:14-a, to allow the selectmen to acquire or sell land, buildings or both; provided, however, they shall first submit any such proposed acquisition or sale to the planning board and to the conservation commission for review and recommendation by those bodies. This article will remain in effect until rescinded by majority vote.**

## Individual Warrant Articles

An individual warrant article is any appropriation not meeting the definition of a special warrant article in RSA 32:3, VI. It is presented separately from the operating budget and reported in the Individual Warrant Article section on the posted budget. The following example is an individual warrant article for the purchase of equipment using tax dollars and should be listed on the MS-636, MS-737, MS-26, MS-27, MS-36 or MS-37 in the area designated for individual warrant articles in the appropriate recommended or not recommended columns. This type of article could also be written to raise and appropriate funds to pay for services or to participate in a community service program. Recommendations are not required on an individual warrant article.

### Household Waste Day

**To see if the municipality will vote to have a town-wide free Household Waste Day at the transfer station in April and to raise and appropriate the sum of \$6,500 for this purpose. (Majority vote required)**

### Contingency Fund

**To see if the (town, school district, village district) will vote to establish a contingency fund for the current year for unanticipated expenses that may arise and further to raise and appropriate \$10,000 to go into the fund. This sum to come from fund balance and no amount is to be raised from taxation. Any appropriation left in the fund at the end of the year will lapse to the general fund. (Majority vote required)**

DRA Note: Per RSA 31:98-a or RSA 194:4-b, I:

31:98-a Contingency Fund. – Every town annually by an article separate from the budget and all other articles in the warrant may establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. Such fund shall not exceed one per cent of the amount appropriated by the town for town purposes during the preceding year excluding capital expenditures and the amortization of debt. A detailed report of all expenditures from the contingency fund shall be made annually by the selectmen and published with their report.

198:4-b Contingency Fund. – I. A school district annually by an article separate from the budget and all other articles in the warrant, or the governing body of a city upon recommendation of the school board, when the operation of the schools is by a department of the city, may establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. A detailed report of all expenditures from the contingency fund shall be made annually by the school board and published with their report.

## Lease Arrangements

□ Equipment Lease (Escape Clause) - Lease agreements may contain a "fiscal funding clause" (otherwise known as "escape" clause) which permits the termination of the lease, on an annual basis, should the funds necessary to make the required payments not be appropriated by a future municipal meeting. Equipment leases with such fiscal funding clauses require a majority vote (RSA 33:7-e) and capital reserve funds cannot be used for this lease/purchase except for the final payment if so voted.

□ Capital Lease - Lease agreements without fiscal funding clauses are essentially long-term purchasing agreements and, as such, constitute long-term debt. Because such agreements "bind future municipal meetings", the provisions of the Municipal Finance Act (RSA 33:8 and 33:8-a) pertain to such action, specifically the requirement of a three-fifths (3/5) ballot vote. A capital reserve fund may be used for payments of this purchase pursuant to RSA 35:15, III for this type of financing agreement.

□ Capital Project Under RSA 32:7-a – With the passage of this amendment, a municipality may be able to authorize the purchase of equipment and receive approval for the annual payment for a term of not more than 5 years. Discuss this option with your Municipal Advisor at the Department of Revenue Administration.

### Equipment Lease With Fiscal Funding Clause (Escape Clause) and Appropriation

**To see if the municipality will vote to authorize the selectmen to enter into a three year lease agreement for \$32,500 for the purpose of leasing a front-end loader for the Highway Department, and to raise and appropriate the sum of \$10,850 for the first year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required).**

DRA Note: An article combining authorize to agree and call to "raise and appropriate" eliminates the possibility of receiving the authorization without an appropriation. In subsequent years, an article should be placed on the warrant to raise the annual payment; if the annual appropriation is not approved, the lease terminates.

### Capital Equipment Lease Without Escape Clause

**To see if the municipality will vote to authorize the selectmen to enter into a long-term lease/purchase agreement in the amount of Fifty Thousand Nine Hundred Ninety Dollars (\$50,990) payable over a term of 48 (forty-eight) months for a new dump truck for the highway department and to raise and appropriate the sum of \$8,500 (Eight Thousand Five Hundred Dollars) for the first year's payment for that purpose. The selectmen and the budget committee recommend this appropriation. (2/3 ballot vote required OR, 3/5 ballot vote if SB2).**

DRA Note: This example is a lease/purchase agreement in which no fiscal funding clause has been provided. Such a financing agreement would require a 3/5 ballot vote. If the amount is greater than \$100,000 a hearing is required per RSA 33:8-a, II and it must be acted upon prior to other appropriation warrant articles.

## Libraries

### Library Trustees Authority to Accept and Expend Unanticipated Funds

**Shall the town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year? (Majority vote required).**

DRA Note: RSA 202-A:4-c allows for a warrant article authorizing library trustees to accept unanticipated funds. The following restrictions are listed:

- Be used only for legal purposes for which a town may appropriate money;
- Not require expenditure of other town funds;
- Hold a public hearing prior to taking action; for amounts over \$5,000. For amounts under \$5,000, library trustees need to address it at a regular trustee meeting after posting notice in the agenda;
- Be exempt from all provisions of RSA 32, relative to limitation and expenditure of town monies;
- The law specifically states that the warrant article shall be worded as in the example provided.

### Acceptance of Personal Property Donated – Libraries

**Shall the town adopt the provisions of RSA 202-A:4-d providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose? Prior to the acceptance of a gift valued at over \$5,000 the public library trustees shall hold a public hearing on the proposed acceptance. (Majority vote required).**

DRA Note: RSA 202-A:4-d allows for the inclusion of a warrant article authorizing (until rescinded) the library trustees to accept gifts of personal property, other than money. If the gift is valued under \$5,000, a hearing may not be necessary.

### Permitting the Public Library to retain all money it receives from its income-generating equipment

DRA Note: RSA 202-A:11-a allows librarians to retain money in a non-lapsing fund for library purchases of books and supplies, if so authorized by the legislative body. The authorization is granted by vote on a town or city election ballot. See RSA 202-A:11-b for the specific wording required for the vote.

## Long-Term Borrowing

DRA Note: When a municipality needs to borrow for a long-term major purchase or capital project, it is extremely important to follow the requirements of the Municipal Finance Act, RSA Chapter 33. All long-term funding requires a three-fifths (3/5) ballot vote of those in attendance and voting at the annual or special meeting called for that purpose (RSA 33:8). The major lending institutions, through their bond counsel, will examine the process to be sure it is not faulty. RSA 33:8-a, II requires financing agreements over \$100,000 be acted upon prior to other appropriation warrant articles. See the law for other requirements, such as holding a hearing or see RSA 32:18, and the example below if the municipality has an official budget committee and wishes to override the 10% limitation, due to non-recommendation of the budget committee. Per RSA 32:5, V, "special" warrant articles **must show the recommendation of the governing body and budget committee.**

### Long-Term Borrowing Not Recommended by Budget Committee

DRA Note: Under RSA 32:14-24, the municipality may vote to override the 10% limitation of RSA 32:18 on a bond article not recommended by the budget committee (see the following example). This optional override wording must be warned on the warrant. It cannot be added at the meeting.

### Long-Term Borrowing with 10% Override – Special Warrant Article

*[Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee]. To see if the municipality will vote to raise and appropriate the sum of \$4,000,000 (gross budget) for the construction and original equipping of a new Police/Fire/Rescue building, and to authorize the issuance of not more than \$3,500,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$250,000 from the Safety Building Capital Reserve Fund created for this purpose; with the balance of \$250,000 to be raised by taxation. The selectmen recommend this appropriation. The budget committee **does not** recommend this appropriation. (2/3 ballot vote required, 3/5 ballot vote required if SB2 or applicable per charter).*

DRA Note: Money appropriated must reflect the total dollar value required for the purpose (the gross budget), offset by the sources of funding. When posting this example on the budget form, it will be listed in the appropriate recommended or not recommended columns, under special warrant articles, with a gross appropriation of \$4,000,000. The offsetting revenue will show on the revenue pages of the budget form with \$3,500,000 from bonds and \$250,000 from capital reserve funds.

Another thing to keep in mind is whether or not the first year's payment should be included in the warrant article. This phrase can be inserted before the recommendations, "[...] and further to raise and appropriate an additional sum of \$xxx for the first year's interest payment on the bond." That additional appropriation must be included on the budget form.

### Appropriating Interest Earned on Bond

**To see if the municipality will vote to raise and appropriate the sum of {SAMOUNT} for the purpose of *[insert purpose]* and authorize the use in that amount of December 31 *[or June 30]* fund balance for this purpose. (This amount will represent the interest earned on bond proceeds that was transferred to the general fund on or before December 31 *[or June 30]*).**

DRA Note: Interest earned on the investment of bond proceeds should be recognized as general fund revenue. Interest income that accumulates in the Capital Project Fund **cannot** be used to increase the specific amount appropriated for a capital project without further appropriation by the legislative body. When the money is transferred from the capital

project fund to the general fund, it will usually create a surplus. Therefore, the legislative body at an annual or special meeting may vote to appropriate money from surplus for a specific purpose. This example is a warrant article for the use of the interest income transferred to the general fund. Interest earned on the investment of bond proceeds should be recognized as general fund revenue. Interest income that accumulates in the Capital Project Fund **cannot** be used to increase the specific amount appropriated for a capital project without further appropriation by the legislative body.

If a balance remains after the completion of a bonded project, the town, village district or school district by a vote of 2/3<sup>rd</sup> or 3/5<sup>th</sup> of the voters present and voting at the annual meeting may authorize the expenditure or the remaining funds and any interest accrued for any purpose for which bonds may be issued. See RSA 33:3-a, for more information.

#### **Bond Rescission**

- The warrant article authorizing borrowing can state the length of time the bond authorization remains valid. If the bond has not been issued by the expiration date, it is considered rescinded. (RSA 33:8-f)
- A vote to rescind an unissued bond or note can take place, but only after 5 years from the vote that authorized it.
- A vote to rescind must follow the same procedures as required to adopt a bond or note, however, if greater than \$100,000, it does not need to be acted on prior to other business.

## Officials

### Changing Terms of Elected Officials

DRA Note: An article can be put on the warrant to change the terms of the town clerk, tax collector, and the combined position of town clerk/tax collector or the treasurer. School district clerks, moderator and treasurer terms can be changed also, but all three must have the same terms, either 1, 2 or 3 years. Refer to RSA 41:16-b; RSA 41:2-b; RSA 41:45-a; and RSA 671:6-a.

### Appointment of a Town Treasurer

**To see if the town will vote to change the office of town treasurer from an elected position to an appointed position in accordance with RSA 41:26-c. Such appointment shall be made in accordance with RSA 669:17-d by the board of selectmen. Such appointment shall be made in writing and shall include the compensation to be paid. If approved the person holding the elected office shall continue to hold such office until the next annual town election following the vote.**

DRA Note: RSA 41:29, III requires treasurers to submit a report to the Department of Revenue Administration at the close of each fiscal year. Sample treasurer reports are in our technical assistance book. This report can be the same report given to the town showing the particular account of the financial transactions during the year and the account balances at the end of the year. Towns may authorize the governing body or town manager to appoint a treasurer (rather than elect). See RSA 669:17-d for more information. **Note:** *School district treasurers must be elected, but a school district deputy treasurer may be appointed (see RSA 194:24-a).*

### Combining Town Clerk and Tax Collector Positions

**Are you in favor of combining the offices of the Town Clerk and Tax Collector to create a new office of Town Clerk/Tax Collector and to have the term of office be three years? If approved, an article shall be placed on the ballot at the next annual meeting to choose a town clerk/tax collector. (Majority ballot vote required)**

DRA Note: RSA 41:45-a allows for an article to be placed on the warrant by petition, asking for approval to combine the offices of town clerk and tax collector and to determine the term of office, one or three years. It requires a ballot vote. If approved, the office of town clerk/tax collector will be placed on the election ballot for the following year.

## Operating Budgets

### Operating Budget with a Budget Committee– Town or Village District

**To see if the municipality will vote to raise and appropriate the budget committee recommended sum of \$606,050 for general municipal operations. The selectmen (or commissioners) recommend \$616,050. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)**

DRA Note: ALL warrant articles with appropriations must be on the posted budget in the appropriate recommended or not recommended columns. All municipalities must “gross” appropriate. This means an appropriation is needed for any expenditure, including water, sewer, and tax increment financing districts. The budget forms are designed to isolate any special, individual, or collective bargaining articles. Budget form amounts are used to calculate the allowable 10% increase to appropriations if the municipality has a budget committee.

Combine the entire municipal budget for general operations into one article, not including special or individual warrant articles. The operating budget warrant article in a municipality with a budget committee under RSA 32:14, RSA 32:5, VII (a) must contain the budget committee’s recommended amount. Do not include capital reserve funds or trust funds as a part of the warrant article for general municipal operations. They should be treated as "special" warrant articles.

If the municipality plans to add any new positions or activities to a traditional line item, we suggest treating this function separately in an "individual" or "special" warrant article. These articles should be addressed separately from the "operating" budget article and reported on the budget form in the pages provided for special and individual warrant articles.

### Operating Budget with a Budget Committee – School District

**To see if the district will vote to raise and appropriate the budget committee’s recommended amount of \$1,800,000 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations proposed in other warrant articles. (Majority vote required)**

DRA Note: For traditional town, school and village district who haven’t adopted a Municipal Budget Committee per RSA 32:14, the proposed budget should state the budget as recommended by the governing body. It should not say, “To see what amount the (town, school, district) will vote in support of town functions.” A sum certain should be included in the article as well as the posted budget.

### Operating Budget by Function In a Budget Committee Town

**To see if the municipality will vote to raise and appropriate the budget committee’s recommended amount of \$57,875 for General Government. (The selectmen recommend \$67,875.) (Majority vote required)**

	Budget Committee	Selectmen
<b>Financial Administration</b>	<b>\$25,000</b>	<b>\$25,000</b>
<b>Legal Expenses</b>	<b>\$8,000</b>	<b>\$8,000</b>
<b>General Government Bld.</b>	<b>\$16,000</b>	<b>\$16,000</b>
<b>Planning and Zoning</b>	<b>\$4,500</b>	<b>\$9,500</b>
<b>Election and Registration</b>	<b>\$2,500</b>	<b>\$2,500</b>
<b>Other General Government</b>	<b>\$1,875</b>	<b>\$6,875</b>
<b>TOTAL</b>	<b>\$57,875</b>	<b>\$67,875</b>

DRA Note: Another approach might be to budget by function, such as General Government, Public Safety, Highway, or Sanitation. The activity within each function would be recognized as detail for budgetary purposes.

(Continue example above with similar articles for police, fire, highways, sanitation, health, welfare, etc.)

**Operating Budget by Function in a Budget Committee School District**

To see if the school district will vote to raise and appropriate the budget committee’s recommended amount of \$14,129,060 for General Operations. (Majority vote required)

	Budget Committee	School Board
Regular Programs	\$5,010,620	\$5,010,620
Special Programs	\$2,907,757	\$2,907,757
Other Programs	\$588,350	\$588,350
Support Services	\$1,723,622	\$1,723,622
SAU management	\$566,542	\$566,542
Student Transportation	\$402,306	\$402,306
Other Support Services	\$1,814,160	\$1,814,160
Non Instructional Services	\$5,203	\$5,203
Facilities Acquisition	\$225,500	\$225,500
Other Outlays	\$885,000	\$885,000
<b>TOTAL</b>	<b>\$14,129,060</b>	<b>\$14,129,060</b>

**SB2 Operating Budget**

“Shall the *(local political subdivision)* raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling {\$AMOUNT}? Should this article be defeated, the default budget shall be {\$AMOUNT}, which is the same as last year, with certain adjustments required by previous action of the *(local political subdivision)* or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.”

DRA Note: The required statutory wording of the operating budget is found in RSA 40:13, XI. The article excludes special warrant articles and other appropriations voted separately.

## Revolving Funds

Revolving funds may be established only for the following purposes under RSA 31:95-h: recycling, maintaining recycling programs, ambulance services, public safety special detail, cable access, affordable housing, or certain energy efficiency improvements. RSA 35-B:2 authorizes a recreation revolving fund for recreation park services and facilities. Revenues generated by fees and charges for any of the above purposes may be set aside in a fund separate from the general fund.

### Police Special Detail Revolving Fund

**To see if the town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special details. All revenues (or designate a portion thereof) received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.**

DRA Note: By changing the wording in the article below, this example could be used for recycling, ambulance services, cable access, or affordable housing by outlining specific expenditures for which the funds may be used. Example expenditures could be supplies, wages and benefits or vehicle replacement. Money may also be appropriated into the fund at its creation.

### Recreation Revolving Fund

**To see if the municipality will vote to establish a Recreation Revolving Fund pursuant to RSA 35-B:2 II. The money received from fees and charges for recreation park services and facilities shall be allowed to accumulate from year to year, and shall not be considered to be part of the general fund unassigned fund balance. The treasurer shall have custody of all monies in the fund, and shall pay out the same only upon order of the recreation or park commission or other board or body designated by the local legislative body (no further legislative body approval required). These funds may be expended only for recreation purposes as stated in RSA 35-B, and no expenditure shall be made in such a way as to require the expenditure of other funds that have not been appropriated for that purpose.**

DRA Note: If a recreation revolving fund is rescinded by the voters, any remaining amounts in the rescinded fund will become part of the general fund accumulated surplus. The amounts cannot be "transferred" to another fund without an additional appropriation.

### Revolving Fund – Schools

**Shall the School District establish a non-lapsing Athletics Revolving Fund in accordance with RSA 194:3-c, to be funded by receipts at athletic events, further to raise and appropriate up to Five Thousand Dollars (\$5,000) for the purpose of supporting athletic programs, with said amount to be withdrawn from the revolving fund at monthly intervals as needed. (Majority vote required.)**

DRA Note: RSA 194:3-c allows school districts to establish a revolving fund for self-supporting school programs. The purpose of the fund must be specified and may also be non-lapsing if so specified at the time of its establishment. The funds are dispersed at regular intervals, if appropriated in an article in the warrant, for the specified purpose of the fund. The fund is subject to an annual audit.

## Schools

### Acceptance of Unanticipated Sources of Funds – School District

Shall the *{school district name}* accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the school board to apply for, accept and expend, without further action by the school district, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year? (Majority vote required).

DRA Note: RSA 31:95-b (for towns and village districts) and 198:20-b (for school districts) allow for the inclusion of a warrant article (with specific wording required by law), at the annual meeting, authorizing the governing body to apply for, accept and expend money from unanticipated sources, (not unanticipated funding) without further action by municipal meeting. There are, however, some restrictions on the use of these funds:

- Used only for legal purposes for which the town, village, or school district may appropriate money;
- When the amount is \$10,000 or more, the governing body must hold a public hearing to discuss the expenditure of the funds. For amounts under \$10,000, the governing body may address it at a regular governing body meeting after posting notice in the agenda;
- Not require the expenditure of other funds, except those funds lawfully appropriated for the same purpose; and,
- Be exempt from all provisions of RSA 32 relative to limitation and expenditure of municipal monies, such as the 10% rule.

### Balance Sheet Deficit Reduction – School

To see if the school district will vote to raise **{SAMOUNT}** to reduce the general fund deficit pursuant to RSA 194:3-b.

DRA Note: RSA 189:28-a requires the school board to publish the general fund balance sheet in the annual report or post it at the annual meeting. If the fund balance is in deficit, this law requires inserting an article in the warrant recommending the action deemed appropriate, such as having a professional audit to determine the exact amount of the deficit. Another action might be to raise money to reduce the deficit.

### Deficit Appropriation – School

To see if the Town will vote to raise and appropriate **\$15,000** for the school district for the current year to cover unanticipated repairs at the middle school.

DRA Note: A deficit appropriation is handled differently from a balance sheet reported deficit. For a school district it means an additional appropriation for the current school year (July – June). The revenue source is new taxes to be raised when tax rate is calculated in the fall (September – December) of the current school year. The town would pay the amount of the deficit appropriation to the school district in the current school district fiscal year.

**Supplemental Appropriation – School or Optional Fiscal Year**

**To see if the school district will vote to raise and appropriate a supplemental appropriation of \$20,000 for additional heating costs for the current school year. This amount will be funded from existing revenues.**

DRA Note: A supplemental appropriation at the annual meeting increases the appropriation for the current fiscal year. It is funded from existing excess revenues received during the current fiscal year or existing fund balance. No additional taxes will be raised for a supplemental appropriation.

**Fund Balance Retention – School**

**To see if the school district will vote to authorize, indefinitely until rescinded, to retain year-end unassigned general funds in an amount not to exceed, in any fiscal year, 5 percent of the current fiscal year’s net assessment, in accordance with RSA 198:4-b, II.**

DRA Note: In accordance with RSA 198:4-b, II, at the annual meeting, the voters may authorize the district to retain a total unassigned general fund balance in an amount that is up to 5 percent of that fiscal year’s net assessment pursuant to RSA 198:5. This authorization would remain in effect until rescinded.

## Special Revenue Funds

RSA 31:95-c allows municipalities to restrict revenue or portions of revenue from a specific source to expenditures for those specific purposes if within the district's purpose. The provisions of this section are **limited to municipal activities funded primarily through user fees such as franchise, ambulance, or recycling fees**. In order to establish a special revenue fund, the selectmen must hold a public hearing on the question at least 15 days, but not more than 30 days, before the question is to be voted on at the annual meeting or deliberative session if SB2. Notice of this hearing is to be posted in two public places in the municipality and published in a newspaper of general circulation at least seven days prior to the hearing. The wording of the warrant article is dictated by statute found in RSA 31:95-d, I(c).

If adopted, the law allows revenues from special highway funds, such as block grants from the state highway funds, motor vehicle permit fees, parking fees or fines, or other highway related revenues to be put in a special revenue fund to be appropriated for highway expenditures. If there is a capital improvement plan in place per RSA 674:5-8, the appropriate revenue can be restricted for a special capital improvement plan fund.

Such revenues and expenditures are accounted for in a special revenue fund separate from the general fund. Any surplus in this fund is not considered part of the general fund accumulated surplus. This surplus shall not be transferred to or expended for any purpose or appropriation until the legislative body votes a specific amount for a purpose related to the source of revenue.

### Special Revenue Fund

**Shall we adopt the provisions of RSA 31:95-c to restrict (insert portion as a fractional or dollar amount) of revenues from (insert source) to expenditures for the purpose of (insert purpose)? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the (-----) fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. (Majority ballot vote).**

DRA Note: Special revenue funds can be rescinded. Use the same wording as above only replace the word "adopt" with "rescind". Any remaining amounts in a rescinded fund will become part of the general fund accumulated surplus. The amounts cannot be "transferred" to another fund without an additional appropriation. The source or purpose of an existing special revenue fund can be expanded or changed by a warrant article at an annual meeting. These changes require a 2/3 vote of all the voters present and voting.

## Special Warrant Articles

Special warrant articles per RSA 32:3, VI are: petitioned warrant articles with appropriations; warrant articles to issue bonds or notes; appropriations to or from a separate fund such as a trust, capital reserve, or special revenue fund; or a warrant article designated by the governing body as "special" or "non-lapsing" or "nontransferable" or calls for an appropriation of an amount for a capital project under RSA 32:7-a. Special warrant articles must indicate the recommendation or non-recommendation of the governing body and budget committee if there is one. RSA 31:131 states that petition articles may be placed on the warrant by the selectmen, even in the absence of any petition.

Per RSA 32:10, I (d), "Any amount appropriated at the meeting under a special warrant article may be used only for the purpose specified in that article and shall not be transferred."

If an appropriation for a special project item is included in the operating budget in the capital projects line and construction is not started (or started but not completed) by the end of the budget year, the monies raised would normally lapse to the general fund balance (surplus) at year-end if not encumbered by a properly executed contract, purchase order, etc. By separating that special project out and designating it as "**special**" in a separate article allows the appropriation to be brought forward the following year if so voted by the governing body at one of their meetings prior to the close of the fiscal year. Some special warrant articles must state that it is "**special**" or "**non-lapsing**" and should designate a lapse date; for example December 31, 2016, (up to 5 years after year-end), otherwise any special warrant article may be encumbered for one additional year at a properly noticed meeting.

### Non-Lapsing Special Warrant Article

**To see if the municipality will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to resurface the playground. This will be a non-lapsing appropriation per RSA 32:7, VI, and will not lapse until the playground is completed or by June 30, 2016, whichever is sooner. The governing body and the budget committee recommend this appropriation. (Majority vote required).**

DRA Note: A project that won't be completed within the budget year could be addressed in a "**special non-lapsing**" warrant article (see RSA 32:3, VI and 32:7, VI). If the project is completed in this budget year, no further action is required and the balance of the appropriation would lapse into the general fund balance. However, if the project is not completed, the balance could be carried forward into the next budget year. If the special warrant article had not specified the number of years for the project, the governing body must meet and vote to encumber the funds for one additional year (RSA 32:7, V).

### Appropriation for a Capital Project

**To see if the municipality will vote to approve the reconstruction of the park pavilion to bring it back to its original functional use at a cost not to exceed \$150,000 payable over a term of five (5) years with an annual appropriation of \$30,000, and further to raise and appropriate \$30,000 for the first year's payment. In each of the following 4 years the appropriation of \$30,000 will be contained in the operating budget and the default budget. This is a special warrant article. (2/3 or 3/5 if SB2) majority vote required for passage.**

DRA Note: Chapter 109, Laws of 2013 amended RSA 32:3, VI, to add an additional definition for Special Warrant Article and RSA 32:7, to include appropriations for capital projects. The law change allows a municipality to raise and appropriate funds at an annual meeting for an identified project which would be lawful under RSA 33:3 or RSA 33:3-c. The appropriation would be for a term beyond one fiscal year, but could not exceed five (5) fiscal years. The article must indicate the total cost of the project, the number of years and the amount that will be appropriated in each of those years. Passage requires either a 2/3, or 3/5 majority vote if SB2 for passage. Please refer to RSA 32:7-a, for specifics.
